

Training Partner Program

Thanks for your interest in becoming a CoSpaces Edu Training Partner!

CoSpaces Edu Training Partners coach educators in using CoSpaces Edu and teach them how to best implement it in schools. They conduct trainings and PD (professional development) sessions for educators that teach them how to use CoSpaces Edu within education, help them develop their knowledge around this technology and optimally combine it with the curriculum.

What's expected from Training Partners?

To help you ensure that your training offer always stays up-to-date and relevant, we like to have a close relationship with all of our Training Partners.

Responsibilities:

- Communicate on a regular basis with the CoSpaces Edu team
- Participate in the "Training Partner Hub" on the forum
- Share training content created (e.g. lesson plans, tutorials) at least 1 per 2 months
- Provide regular insights and feedback to the CoSpaces Edu team

What support do Training Partners get?

You'll get exclusive support and training resources in exchange for your contribution to helping spread the use of CoSpaces Edu in education.

Benefits:

- A 100-seats CoSpaces Edu Pro license plan with the MERGE Cube add-on to use for training sessions
- Your own trial code to let participants test Pro for free
- Your own discount code to let participants get 15% off when purchasing a Pro license plan
- The CoSpaces Edu Training Partner digital badge
- The Partner's kit with CoSpaces Edu marketing materials
- The CoSpaces Edu PD training slidedeck template
- Information on new releases before everyone else
- Priority support and direct contact with the team
- The ability to actively contribute to shaping the platform
- Networking with other Training Partners around the world

How do you become a Training Partner?

To apply, please write to programs@cospaces.io with your introduction and your proposal explaining your current role and use of CoSpaces Edu, and why you want to become a CoSpaces Edu Training Partner.
