

Workshop Partner Program

Thanks for your interest in becoming a CoSpaces Edu Workshop Partner!

The Workshop Partner Program supports organizations that use CoSpaces Edu as part of various types of workshops for children, from after-school coding programs to VR summer camps, or weekend activities.

Commercial and Non-Profit Workshop Partners:

- Our Terms of Use prohibit the use of CoSpaces Edu by commercial companies unless there is a separate agreement. In order to use CoSpaces Edu for-profit, you'll need to become an official CoSpaces Edu Workshop Partner and get a formal agreement.
- We try to support non-profits organizations in any way we can.

What's expected from Workshop Partners?

To help you ensure that all activities using CoSpaces Edu are conducted in the best way possible, we like to have a close relationship with all of our partners.

Responsibilities:

- Communicate on a regular basis with the CoSpaces Edu team
- Participate in the "Workshop Partner Hub" on the forum
- Share training content created (e.g. lesson plans, tutorials) at least 1 per 2 months
- Provide regular insights and feedback to the CoSpaces Edu team

What support do Workshop Partners get?

You'll get exclusive support in exchange for your help in promoting CoSpaces Edu through your activities.

Other benefits:

- The CoSpaces Edu Workshop Partner digital badge
- The Partner's kit with CoSpaces Edu marketing materials
- Information on new releases before everyone else
- Priority support and contact with the team
- The ability to actively contribute to shaping the platform
- Networking with other Workshop Partners around the world

How do you become a Workshop Partner?

To apply, please write to programs@cospaces.io with a detailed proposal on how you plan to use CoSpaces Edu with your organization and why you want to become a CoSpaces Edu Workshop Partner.
