

# Remote learner starter guide

## For kids at home first joining CoSpaces Edu

Please follow these steps and contact your teacher if you need help:

1. From a **computer**, go to [edu.cospaces.io/Auth/Signup](https://edu.cospaces.io/Auth/Signup).

From a mobile device, install the **CoSpaces Edu** mobile app and create an account.

2. Create an account as:

3. Enter our **class code**.

4. Define your account login details. Something you'll remember!

5. On the left menu, go to **Classes** and enter our class.

6. Open your **assignment**.

7. Make sure to read the instructions before getting to work!

8. Let your teacher know if you need any help joining CoSpaces Edu.
